## DOLLAR ENERGY FUND ASSISTANCE WITH SEWER BILLS

The Collier Township Municipal Authority wishes to announce that ALCOSAN has launched a Clean Water Assistance Fund to help low-income residential customers that meet certain government conditions pay a part of their sanitary sewer bill.

Eligible property owners and tenants that have the sewer bill in their name may qualify for a \$30.00 credit every three months under this program.

To be eligible, applicants must meet income limits set by the federal government. The program will be administered by Dollar Energy Fund, Inc., which partners with dozens of local social service agencies to process applications.

Applications are taken in person and the applicant must provide a copy of their sewer bill, social security numbers of all members in their household and proof of household's monthly income. Applicants should call in advance for appointments. ALCOSAN has prepared an informational sheet about the program, along with a list of participating agencies, and this is available at [alcosan.org](http://alcosan.org).

If you still have questions, visit [dollarenergy.org](http://dollarenergy.org) or call Dollar Energy Fund at 1-800-375-1388.
