Please return completed form to:
Collier Township Municipal Authority, 2418 Hilltop Road, Suite 200, Presto, PA 15142

Your failure to complete, and return this form and make a preference designation may result in the sewage invoice not being sent directly to the tenant/person that has applied for water service to your property through the Pennsylvania American Water Company.

Additionally, your failure to register your tenant information will not relieve you of any responsibility for nonpayment of the sewer bill.

****It is estimated that the new billing system will begin in July 2012 and that Pennsylvania American Water Company will no longer be billing sewage service effective around June 30, 2012.****
