

**RESOLUTION 02-10-2011**

**A RESOLUTION OF THE COLLIER TOWNSHIP MUNICIPAL AUTHORITY  
AMENDING RESOLUTION 05-12-06 ADOPTING A SANITARY SEWER OVERFLOW  
RESPONSE PLAN BY ADDING THE FOLLOWING PROCEDURE AS IT RELATES  
TO THE PROCEDURE FOR THE MAINTENANCE OF A SHORT FORM SUMMARY  
OF SYSTEM AND CONTACT INFORMATION**

WHEREAS, the Collier Township Municipal Authority is required to maintain a SSORP to set forth the procedure related to sewer blockage and emergency responses to sewer overflows, and;

WHEREAS, the Collier Township Municipal Authority has also prepared and utilizes a Short Form Summary of the sewer system contact information that has to be updated from time to time to maintain current contact information, and;

WHEREAS, the Collier Township Municipal Authority has determined that the previously adopted and maintained procedure should be amended to include the following simplified procedure that authorized the Consulting Engineer to maintain a current Short Form Summary.

WHEREFORE, Resolution 05-09-06 is amended by adding the following procedure to the Resolution.

**C. Emergency Response Plan Short Form Summary of System and Contact Information**

- In order to provide for the more efficient implementation of the SSORP the Consulting Engineer shall prepare and maintain a Short Form Summary and Contact Information that shall be a summary of the procedure to be utilized in the implementation of the SSORP and contain a summary of the system, a listing of the main pump station locations and relevant contact information.

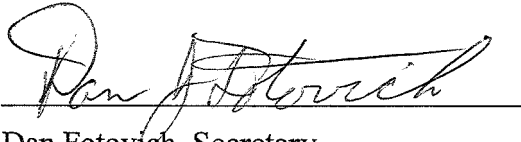

- From time to time, and without direction from the Collier Township Authority Board, the Consulting Engineer shall review the Short Form Summary and Contact Information as prepared as part of the SSORP and amend the same to update and maintain current the contact information and the contact numbers to maintain the information as current as possible.
